

## BENTLEY SELECT SUBSCRIPTION

### PROGRAM HIGHLIGHTS FOR SMALL AND MID-SIZED BUSINESSES

*“As a smaller firm, maintaining optimum efficiency is critical to our ability to deliver projects on-time and on-budget.”*

*“As a Bentley SELECT subscriber, our team’s productivity continues—around the clock—thanks to Bentley’s always-available technical support group.”*

The Bentley SELECT® subscription program helps small and mid-sized businesses lower the total cost of ownership for Bentley software by providing assisted support when its needed most, anytime software upgrades to optimize productivity, and flexible licensing options – all for a fixed annual fee per product.

#### WITH SELECT YOUR TEAM CAN:

- Save money and maximize software utilization through flexible licensing options including license pooling with unrestricted license sharing.
- Keep software current and reduce project disruption by upgrading software in accordance with your team’s project schedule, not ours.
- Reduce downtime and increase billable hours by improving and sustaining end user productivity via access to 24/7/365 assisted support.

#### HOW WILL SELECT BENEFIT MY TEAM?

A SELECT subscription means different things to different people in an organization.

For **Project Teams** charged with improving project quality and meeting project deadlines, Bentley SELECT delivers 100% of the time.

Through SELECT, project teams have easy access to software and support services to help them stay on track any time of the day or night.

For **Owners and Managers** focused on increasing competitive advantage and reducing operational costs, Bentley SELECT includes all software upgrades at no additional cost.
