

Bentley Substation Learning Path

This learning path helps you organize and prioritize your Bentley Substation training with a recommended sequence of courses.

*Note: Fundamental MicroStation knowledge is required for all Bentley Substation courses

Legend

- The learning path diagram includes gray boxes for the core application courses. The green icon indicates that this course is available as LIVE training. The blue icon indicates that this course is available as OnDemand eLearning.
- Arrows indicate the optimal learning sequence.
- Dark blue, diamond-shaped decision boxes help determine the next course in a sequence based on a user's job role and experience level.
- Productivity tips boxes indicate additional OnDemand eLearning lectures are available to supplement the core application course.
