

Amity wins

Amity International School, Saket, has won the 2009-2010 Future Cities India 2020 Student Design Competition with a prize money of Rs 1 lakh. The members of the winning team were Shruti Sahrawat, Neha Ahooja, Agrim Singh and Arjun Hans. The second position went to Manava Bharati India International School with prize money of Rs 44,000. Launched by the Ministry of Science and Technology and Bentley Systems in 2006, the programme is a partnership among Govt, universities and business community to inspire young students.
